

An Introduction to Language for Specific Purposes

Presentation by:

**Dr. Diane
Belcher, PhD**

**Professor of
Applied
Linguistics at
Georgia State
University,
Co-Editor of
*TESOL
Quarterly*,
Co-Editor of the
*Michigan Series
on Teaching
Multilingual
Writers***

*As an INTESOL pre-conference event,
Dr. Diane Belcher
will introduce language for specific
purposes (LSP), an approach to
language teaching tailored to the specific
needs of learners. She will present
how recent developments in research,
theory and technology are helping to
better assess and meet the needs of
language learners.*

November 12, 2010

at 4 p.m.

IUPUI Campus Center

Room 409

All are invited
